### Schedule & What to Expect

Our ceramic camp is designed to make the most of our time with clay! We'll spend the first two days building with wet clay, glaze our pieces on the third day, and explore a multi-media art project related to the camp theme on the fourth day. On Friday, we'll set up for our end-of-camp gallery show, where parents are invited to join us for the second half of the day. We'll provide some snacks, but campers are welcome to bring their own and should bring a water bottle. Expect to get a little messy—don't worry, everything washes out! This schedule is subject to change, and we'll share more details as camp approaches.
